Bill Sullivan, PhD, professor of landscape architecture,
University of Illinois at Urbana-Champaign
Creating Healthier, More Sustainable Communities

Please come prepared to share an urban forestry goal, developed with your community, to help
trees and foster engagement and support for a healthier urban forest where you live and work.

Awards will recognize individuals and institutions
that have made great strides in urban forestry.

[Nominate a person, program, community, or institution here by June 30th.](#)

Hors d'oeuvres and beverages (including beer and wine) will be served.

Please RSVP early; capacity is limited.
