

The background features a stylized landscape. The top half shows a range of green mountains with varying shades of green, suggesting depth and texture. Below the mountains is a wide, flat expanse of orange and yellow, representing a field or a sunset sky. The bottom edge of the image has a dark green, textured border.

R.P.C. Strategy

Short Term (2 - 3 Year) Objectives

Elevator Speech*

“The RPC works side by side with our Village government to inspire residents to learn more, volunteer, take action, and build lasting connections to the precious land and wildlife in Riverwoods”

* How to describe the RPC in a focused way, e.g. during a brief elevator ride together...

Objectives

- **Recycling**
 - (Versus 2.2 pounds per capita per day now) Attain 2.1 pounds per capita per day of waste disposal within 12 months, 2.0 within 24 months, and 1.8 by 2015 (County goal) – Louise S.
- **Woodland health**
 - Increase the number of homes participating in Village environmental cost sharing programs by 20% within 2 years – Sheila H.
- **Water management**
 - Implement 4 demonstration sites for bioretention in different Village physical and ownership environments in 2012 – Mike C.
